The Manitoba Securities Commission's Make it Count Guide makes money management simple, by incorporating activities and tips into your everyday routine.

All of a sudden, a trip to the supermarket becomes a lesson in budgeting, or a drive in the car becomes a quick lesson on the cost of transportation. Get the Guide and learn how to talk to your kids about managing their money.

Plan a Movie Night

Plan an at-home movie night with a few friends. With just a bit of planning, it can be a great alternative to going out to the theatre. *Check out this cost comparison to see how much you can save!*

Four friends go to the theatre

Tickets	\$ 40.00
Popcorn	\$ 20.00
Sodas	\$ 20.00
Total	\$ 80.00

Four friends watch a movie at home

Movie Rental	\$ 5.00
Popping Corn and Popper	\$ 20.00
Sodas	\$ 5.00
Total	\$ 30.00

Pick out the movie and get the supplies. If everyone chips in, you can get a movie, popcorn, popper and sodas for far less than it would cost to go to the theatre. Plus, the popcorn popper will still be there to save you even more money next time around!
